Annex: Detail on key highlights

Key highlights

Rotation of mature assets

- Disposal of Splau! shopping center for €185m (October)

Energy

- Installation of 673MW during 9M 2011
- Completion of assembly of three wind farms in Mexico totaling 306MW
- Commissioning of 56.1MW Tuppadahalli wind farm in India
- Inauguration of 46.5MW Gunning wind farm in Australia
- Awarded 49.5MW wind farm in Costa Rica

Infrastructures

- Awarded the construction of the new container terminal of Cádiz Port
- ACCIONA and Adif sign a agreement to collaborate on railway projects in Colombia

Asset rotation: Disposal of Splau! shopping center

- ACCIONA has reached an agreement with the real estate group Unibail-Rodamco for the sale of the Splau! shopping center for €185m
- Splau! has a gross lease area (GLA) of 87%
- The shopping center is located adjacent to the RCD Espanyol soccer stadium, 7Km from Barcelona's El Prat airport and just five minutes from downtown Cornellá
- The disposal was executed in October

Energy: Assembly completion of 306MW in México

- ACCIONA Energy has completed the assembly of three wind farms in Oaxaca (Mexico) with a total capacity of 306MW and an investment of over €450m
- 204 AW-1500 turbines have been used
- The turbines will be connected to the grid gradually during last months of 2011
- The three wind parks (Oaxaca II, Oaxaca III and Oaxaca IV), each with a capacity of 102MW, were awarded to ACCIONA in March 2010 in a public tender called by the Mexican Federal Electricity Commission (CFE)
- With these three new wind farms ACCIONA consolidates its position as the biggest owner of wind power assets in Mexico with a total capacity of 556.5MW

Energy: Commissioning of 56.1MW wind farm in India

- ACCIONA Energy has commissioned its third wind farm in India, the 56.1MW Tuppadahalli facility, which represents an investment of €58m
- Located in the state of Karnataka, the new wind farm contains 34 turbines of 1,650kW
- The energy will be sold to the state owned distribution utility MESCOM
- Financing: In December 2010 ACCIONA signed a long term financing agreement with Infrastructure Finance Company Limited (IDCF), the leader in infrastructures financing in India

Energy: Inauguration of 46.5MW wind farm in Australia

- ACCIONA has inaugurated its third Australian wind farm, located in New South Wales near the town of Gunning
- The 46.5MW Gunning wind farm consists of 31 AW-1500 wind turbine generators
- The project represents an AUD\$147m investment (€109m)*
- The Company has built and owns other two wind farms in the country: Waubra wind farm (192MW) in Victoria and Cathedral Rocks wind farm (66MW) in South Australia
- This wind farm was commissioned in May

* Exchange rate: AUD\$/€ 0.75 as of 07/11/2011

Energy: Awarded first wind farm in Costa Rica

- ACCIONA Energía awarded a 49.5MW wind farm in Costa Rica, in a tender called by the Instituto Costarricense de Electricidad (ICE), with whom ACCIONA has signed a 20-year PPA (from the signature date)
- Under the BOT (build, operate and transfer) agreement signed, ACCIONA will design, build and operate the wind farm for 20 years, after which the ownership will be transferred to the ICE
- The project, that represents an investment of \$125m (€91m)*, will consist of 33 AW-1500 turbines
- ACCIONA presented its bid together with the local company Grupo Ecoenergía, which holds a 35% stake in the development company. ACCIONA holds the remaining 65%
- Construction is expected to start at the end of 2012 and to last around one year

Infrastructures

ACCIONA awarded the construction of the new container terminal of Cádiz port

- ACCIONA and FCC have been awarded the construction of the new container terminal of Cadiz's port
- The contract awarded to the 50-50 joint venture amounts €91m
- The new terminal will make possible to transfer container traffic to new facilities with superior equipment and services, to divert heavy vehicle traffic from the city and to separate passenger and freight within the port area

ACCIONA and Adif: collaboration agreement for railway projects in Colombia

- ACCIONA and Adif* have signed a collaboration agreement on railway projects in Colombia, in an effort to boost the Spanish railway sector's international expansion process
- Adif will provide technical support for ACCIONA's participation in tenders for new rail corridors, as well as for the carrying out of improvements and rehabilitation work on existing lines, as part of the Colombian government's plans to modernize the country's rail network

* Adif, the Spanish Administrator of Railway Infrastructures, is a state-owned company dependant on the Ministry of Civil Works
